

Keep on smiling with a Guardian Angel®

Let a 'KELPIE' round-up your keys!

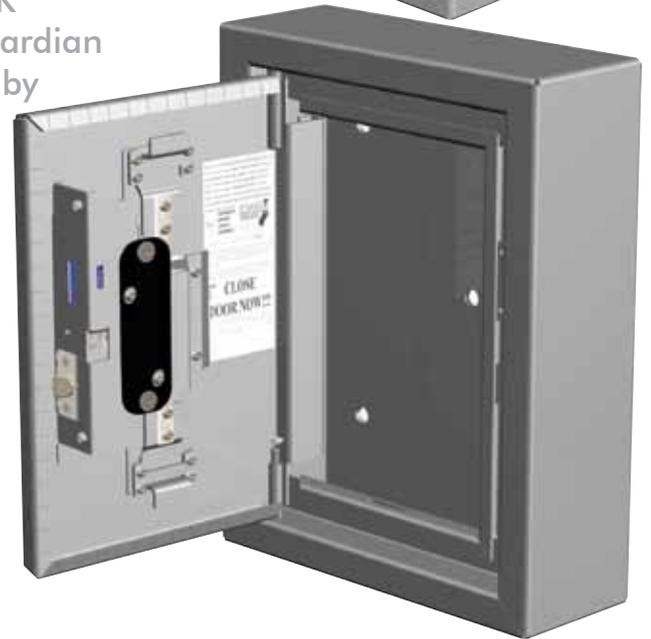

KELPIE - Secures up to 20 sets of keys on hooks. Suits many applications including, workshops, panel shops, tyre, car hire, car wash etc.

The KELPIE is designed to secure keys from OPPORTUNISTIC daytime theft and provide good physical security of keys at night. Our design provides seamless interface with daily use and has unique ANTI-ATTACK features not found in any other key cabinet. The 'Guardian Angel' secure key management system is welcomed by insurers the world over.

- 1. SECURE KEY MANAGEMENT SYSTEM** 3MM BODY & DOOR - resists distortion of frame & door under physical attack.
- 2. MONKEY GRIP** - our patented ANTI BREACH system dramatically increases physical security against hammers, jemmy & crow bars etc. **BACKING PLATE** - greatly reduces the ability to tear the cabinet from the wall.
- 3. STAFF DIGITAL LOCKING** - saves time when numerous staff need quick KEYLESS access to the cabinet.
- 4. MANAGER'S AFTER HOURS KEY LOCK** - allows you to control after hours access & improve physical security AFTER HOURS.
- 5. DOOR AJAR ALARM** - after 50 seconds an AUDIBLE ALARM - BEEP - BEEP - BEEP. This is a proven way to get staff to shut the cabinet.
- 6. 20 x KEY HOOKS** can be placed where you want.

Height: 480mm Width: 370mm Depth: 120mm Weight: 22kg
